

Virginia Clean Cities
Fueling Clean Transportation

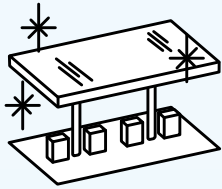

Membership Information

Welcome!

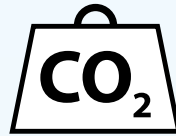

Founded in 1996, Virginia Clean Cities is a state-wide grassroots organization dedicated to reducing the use of petroleum in transportation.

From Hampton Roads to Harrisonburg, Southwest to Northern Virginia, we provide educational events, networking opportunities, technical advice, business assistance and educate policymakers on the benefits of locally-produced, renewable, clean fuels.

VIRGINIA CLEAN CITIES, 2013 STATS

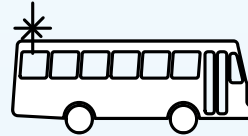

360+
clean fuel stations

86,000+
tons of CO₂ prevented

13,571,000+
gallons of petroleum displaced

90+
clean fleets

We are delighted to introduce to you the benefits of membership!

We count on our Membership base to support the organization and its activities. You can help by supporting the mission with an annual membership.

Current stakeholders of Virginia Clean Cities include concerned and supportive individuals, automakers, auto dealers, trade associations, environmental, energy and health non-profit organizations, educational institutions, local governments and businesses that support and use American fuels as well as environmentally friendly vehicles and technologies.

I look forward to you joining our mission!
